Do you know what song she played with her guitar?

A song that had happy birthday lyrics to it-

Do you think that was for me?

Do you think she'd practice so much until her fingers were bleeding just to play for me?

I'm going to practice really hard. When I get good enough, I'll sing to you.
Oh oh-! Really?
But, I don't know when that's going to be.
It's fine. I'll wait!
I'll be able to listen to it before I'm a senior citizen, right?
What?

I sat in my room holding onto the scarf, as I cried over thoughts of how pathetic I was.

After that day, I tried my best to reach out to her.

But, she has hidden herself from my life.

Her, the one who was the love of my life.

Suddenly had vanished from me.

Nothing much.
But, I guess a lot of painful memories came back, forcing him to drink.
That fool, he should forget about Soo-Young now, and try to find someone else...
He hasn't been able to find anyone...
Whew~ talk about minding your own business.
Well, I was right next to him when he was heartbroken after losing her...
If he loved her this much, he should've been good to her while they were together.

What, he wasn't?
If I was her, I would've broken up with him long ago..
So, you keep in touch with Soo-Young?

It was surprising to me too...
I remember seeing her always listening to music and stuff, but I had no idea she was this deep into music.

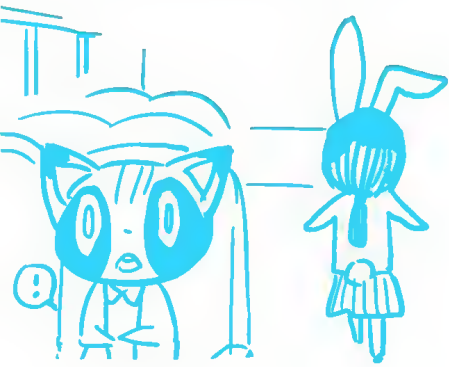
THE STORYLINE OF THE SERIES WAS CREATED WHEN I WAS IN COLLEGE.
I WAS RIDING A BUS WHEN I COINCIDENTALLY MET MY FIRST LOVE.



AFTER I GOT OFF THE BUS, I BEGAN TO THINK ABOUT
WHAT HAD JUST HAPPENED.

I GOT THOSE FEELINGS AND EMOTIONS TOGETHER
AND THOUGHT ABOUT MAKING A WEBTOON.
AT FIRST, I HAD DECIDED THAT I JUST WANTED TO
TRY DRAWING THE SCENE.

IT CAME OUT TO BE A LOT
BETTER THAN I THOUGHT,
SO I KEPT DRAWING
DIFFERENT SCENES TO FOLLOW UP

AS I KEPT GOING, I MANAGED TO DEVELOP THE CHARACTERS IN THE STORY.

AND SO I FINISHED UP A SEASON 1 AND 2.

IF I KNEW HOW THE STORY WAS GOING TO BE LIKE,

I WOULD HAVE CONSIDERED STARTING A SEASON 3, TOO.

BEFORE THE DEADLINE FOR THE LAST CHAPTER

I GAVE IT A LOT OF THOUGHT,

THINKING ABOUT HOW IT WOULD HAVE ENDED WITH ME

IF I HAD PLAYED OUT LIKE A LIFELIKE THE STORY.

우와아!

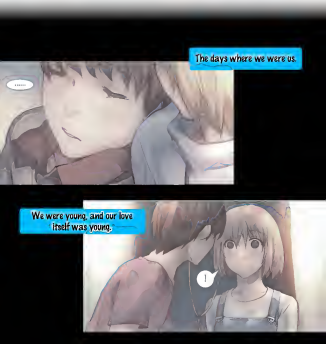
Great to see you again. Sorry to keep you waiting.
I have a new song for you-

It's a song that's really dear to me.
"By chance, we are" is what it's called.

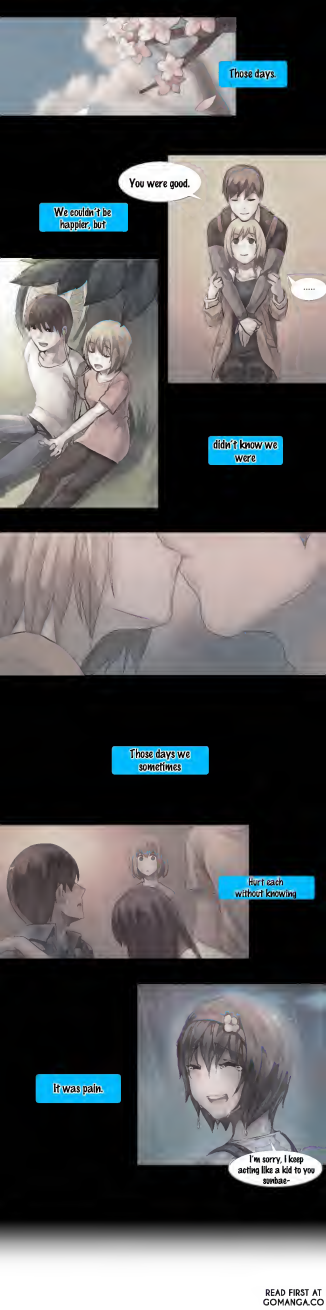
.....

Early cold days of spring.

Twenty year old girl slouching over cold.



The days where we were us.
.....
We were young, and our love itself was young.
!



Those days.
You were good.
We couldn't be happier, but
.....
didn't know we were
Those days we sometimes
Hurt each without knowing
It was pain.
I'm sorry. I keep acting like a kid to you sunbae~

Coming here just made me realize that.
What I've been missing
Wasn't her, it was what we had.
Part of me that wanted to go back to the old days-
I think it's time for me to let it go.
So, I'll can keep my head up
just like her this entire time.

My number 1 fan.

I missed you. I wanted to see you again.

I couldn't tell her any of it.

The days we were us, is what I missed the most, and I have spent most of my days regretting what I've done.

And if by chance, we ran into each other someday, I want to be able to keep my head up and smile to you.

I now know that what we had will never come again. And, this is where we finally say our goodbyes
